FOR IMMEDIATE RELEASE

One lane closed on Northbound Pacific Coast Highway (State Route 1) in Malibu

MALIBU — The California Department of Transportation (Caltrans) is planning to close one northbound lane of State Route 1 (Pacific Coast Highway) over a three-week period between Latigo Canyon Road and Corral Canyon Road starting Tuesday, Sept. 5.

The No. 2 lane of Pacific Coast Highway from Latigo to Corral Canyon Roads will remain closed **Sept. 5 to Friday, Sept. 22 from 6 a.m. to 2 p.m.**

The closure is weather permitting and subject to change.

The northbound No. 1 lane will remain open but drivers may experience delays and are encouraged to allow extra travel time or use another route.

For real-time highway traffic information, please visit the Caltrans Quickmap: <http://quickmap.dot.ca.gov/>. You can also download the QuickMap app for free on iPhone and Android devices.

Caltrans crews will be removing rocks and debris collected along Pacific Coast Highway during winter storms, and cleaning a drainage ditch. In some areas, the debris is three feet deep.

A safety barrier will be put up to ensure Caltrans crews have a safe space to work.

Caltrans advises motorists to **“Be Work Zone Alert”** and **“Slow for the Cone Zone.”**
